The Producer Writes...

It has been a while since we have performed, 2 years in fact!

We are very sad to have lost three stalwarts of the Society in this time ; Janet Douse , Everard Robinson and sadly this week Foster Lockwood, all were true legends and are greatly missed.

It has been quite a challenge producing this play, we have several members of the cast quite ill with the various viruses that have been circulating so rehearsals have been a little fraught. But as usual Kegworth Players have pulled up their socks, tucked in their shirts, straightened their ties and pulled off this fantastic production which will have you jumping out of your skins!

Please enjoy the complimentary snacks that have been provided but as per Covid Restrictions, we have had to change the way we serve the nibbles, so no more Mary Jennings cheese scones !

I hope you enjoy watching the play, if you do then please tell all your friends to buy a ticket. If you don't then Well you know the rest.

We have put in place Covid safety guidelines to enable you to enjoy your evening as safely as we can.

Thank you for your continuing support

In Association with Concorde Theatricals

This production is dedicated to the memory of
Janet Douse, Everard Robinson and Foster Lockwood.
